

# APPTRICITY WAREHOUSE

## EXTENDED PROFILE

## OVERVIEW

Catering towards medium and enterprise-scale companies, Apptricity Warehouse was built to manage a warehouse at an operational and inventory level efficiently. The multi-warehouse system allows users to manage more than one location from a single screen.

A cloud-based system, Apptricity Warehouse can have new facilities added quickly to an existing system, with global visibility users can see the "who, what, and where" of an organization's inventory worldwide.
